I was thinking, yeah baby you, today!  
I was thinking of you,  
Place no one above you,  
I just wanna know how is your day!  
Oh! You are special to me,  
Loving you is ,  
Wanna keep you so close to me!  
On my mind every time,  
I think of all your goodness!  
Your love, your faithfulness  
My heart ids filled with joy knowing that you care so  
much!  
For us! For us!  
Baby you do miracles, even saving , Oh, right!  
Can't see you're busy,  
You must be making,  
Everyone is faithful and believe in honesty.  
Yeah baby you, today,
