This life is like a drop of water in a frying pan  
Snap of a finger and we got to start over again  
Ten thousand things, ten thousand things in this  
breathe  
Slow down your engines and give your troubled minds  
a rest  
Surrender to the Most High, the most high  
Surrender I say surrender

Who you gonna turn to  
Who you gonna turn to  
When the curtain falls on you  
Mama is on her lion  
Papa is home in Zion  
That's who I'm gonna turn to

The wheels are turning  
World's burning  
Burning up the sky  
Eye for an eye wise man said leaves the whole world  
blind  
Well I say seek and you'll find  
Seek and you'll find what's inside  
Flow doen the river until you're free and you see Love  
Divine  
Surrender the the Most High, the Most High  
Surrender I say Surrender
