Bright side of the road

Little darlin', come with me

Won't you help me share my load

From the dark end of the street

To the bright side of the road

Into this life we're born

Baby sometimes we don't know why

And time seems to go by so fast

In the twinkling of an eye

Let's enjoy it while we can

Won't you help me sing my song

From the dark end of the street

To the bright side of the road

From the dark end of the street

To the bright side of the road

We'll be lovers once again

On the bright side of the road

We'll be lovers once again on the bright side of the
road
