Hope this feeling lasts, the rest of my life.

If you knew how lonely my life has been,

And how low I've felt so long.

If you knew how I wanted someone to come along,

And change my life the way you've done.

CHORUS:

Feels like home to me, feels like home to me,

Feels like I'm on my way back where I come from.

Feels like home to me, feels like home to me,

Feels like I'm on my way back where I belong.

A window breaks down a long dark street,

And a siren wails over my head.

But I'm all right, 'cause I have you here with me.

And I can almost see through the dark there's light.

If you knew how much this moment means to me,

And how long I've waited for your touch.

If you knew how happy you are making me --

I've never thought I'd love anyone so much.

CHORUS

Feels like I'm on my way back where I belong.
