Trevor Rabin/P. Van Bieker)

If I held a flame

For those who hurt in vain

Would you believe in me?

If I trusted you

And bared my soul to you

Would you deceive me?

If I failed to do

What I set out to do

Would you run out

Hold the candle tight

Would you run out

Wait until it's right

CHORUS

Hold on to love, hold on to me

Hold on to love, hold on to me

If we start to think

About the winds of change

Would you believe in me?

If a shadow fell

And told us time will tell

Would you deceive me?

If I couldn't say

The words I wanted to say

Would you run out?

Hold the candle tight

Would you run out?

Wait until it's right

CHORUS
