"Lost in Yesterday"

Visit "[Lost in Yesterday](#)" on MotoLyrics.com

I don't want to tell you that I love you tonight, I don't,
I don't want to tell you that I'll make it alright, No I won't.
I don't want to tell you that it's going to work, it won't

I don't want to tell a different story tonight,
I don't want to write the pages when all the words ain't
right,

We know it's time to put this book on a shelf,
'cause we already cheated, yeah we cheated on
ourselves.

Don't want to end up as liars, liars
We got to put out the fire, fire.
We can't walk on this wire, I won't wait,
before we're lost in yesterday, ay ay ayy,
We're lost in yesterday, ay ay ayy,

I don't want to tell you that I'm gonna be there, no way,
And I've got a feeling that you really don't care, it's
okay,
Because we know we've got to break up, not to make
up

We know this â€¦â€¦â€¦â€¦â€¦â€¦
It's got to take on nowhere

We don't want to end up as liars, liars
We got to put out the fire, fire.
We can't walk on this wire, I won't wait,
before we are lost in yesterday, oh oh oh
We're lost in yesterday, mmmmm

We don't want to end up as liars, liars
We got to put out the fire, I won't wait, I won't wait oh
no, I won't wait

We don't want to end up as liars, liars
We got to put out the fire, fire.

We don't want to end up as liars, liars

We got to put out the fire, Oh yeahhh
We can't walk on this wire, I won't wait, I won't wait,
We don't want to end up as liars.
