Been here for days, I'm amazed (at) this
teacher, carpenter, preacher
Lost in the crowd, I hear Him now,
He's praying and He's saying,
"God feed them all"
Five-thousand men, all of His friends are
worried find bread and hurry
Five loaves and fish, what can He wish
He's praying still He's saying,
"God feed them all"

(CHORUS)

Could He be the Messiah?
Miracle man, part of the plan
Could He be the Messiah?
Life in His hand,
I understand He could be...

Meet for our needs fully He feeds our
hunger older and younger
Twelve baskets more, can we ignore, He
knows us, is He the Christ?
God in His eyes, I realize His power, need
of the hour
Jesus is His name, they say He came to feed
us and receive us, is He the Christ?

(CHORUS)

It is He the Messiah!
Miracle man, part of the plan
It is He the Messiah!
Life in His hand
I understand it is He
