Gonna take my bike out
Gonna take my bike
Gonna ride it slowly
Gonna ride just how I like

Gonna take my bike out
Gonna take my bike
Gonna ride it slowly
Gonna ride just how I like

Leave we way up here
(Gonna take my bike out)
(Gonna take my bike)
(Gonna ride it slowly)
Up on the mountain
(Gonna ride just how I like)

Let me lie
(Gonna take my bike out)
Uncovered on the floor
(Gonna take my bike)
(Gonna ride it slowly)
(Gonna ride just how I like)

Make me wonder when
(Gonna take my bike out)
(Gonna take my bike)
You go away again
(Gonna ride it slowly)
(Gonna ride just how I like)

If you're ever coming
(Gonna take my bike out)
Back here anymore
(Gonna take my bike)
(Gonna ride it slowly)
(Gonna ride just how I like)

I don't care what you did
(Gonna take my bike out)
(Gonna take my bike)
But I can tell it's hanging over you

(Gonna ride it slowly)
(Gonna ride just how I like)

The effects of sun and sand
(Gonna take my bike out)
(Gonna take my bike)
Are hard to understand
(Gonna ride it slowly)
(Gonna ride just how I like)

So leave we way up here
(Gonna take my bike out)
(Gonna take my bike)
(Gonna ride it slowly)
Up on the mountain
(Gonna ride just how I like)
Let me lie

Gonna take my bike out
Gonna take my bike
(Let me lie)
Gonna ride it slowly
Gonna ride just how I like
(Let me lie)

Gonna use my brakes
When I go downhill
(Let me lie)
Gonna climb back on
When I take a spill
(Let me lie)

Gonna peel my shirt off
Gonna feel it burn
(Let me lie)
Gonna keep my eyes closed
Gonna miss my turn
(Let me lie)

Gonna take my bike out
Gonna take my bike
(Let me lie)
Gonna ride it slowly
Gonna ride just how I like
(Let me lie)

Gonna use my brakes
When I go downhill
(Let me lie)
Gonna climb back on
When I take a spill

(Let me lie)

Gonna take my bike out
Gonna take my bike
(Let me lie)
Gonna ride it slowly
Gonna ride just how I like
(Let me lie)

Gonna peel my shirt off
Gonna feel it burn
(Let me lie)
Gonna keep my eyes closed
Gonna miss my turn
(Let me lie)

Gonna take my bike out
Gonna take my bike
(Let me lie)
Gonna ride it slowly
Gonna ride just how I like
(Let me lie)
