It's no easy road, there's struggle and strife
We find ourselves in the show of life
What's on your schedule, what's on the plan?
Do you ever ignore what you don't understand?

Don't ask me 'cause I don't know
I just fasten my seat-belt wherever I go
It's been perfectly planned, it's completely insane
It's a revolving cast but it's the same old game

Waves of people come and they go
Shine for a while in this marvelous show
It's a limited time that we exist
We slowly make our way into the mist

My thoughts are racin'
I see faces of the friends that I recall
I'd like to take this time
To thank you all

Just as the blind imagine what it is to have sight
We slowly take a stroll into the night
It's no easy road, there's struggle and strife
We find ourselves in the show of life
In the show of life

In the show of life
(Find myself right here)
In the show of life
(Find myself right here)

In the show of life
(Find myself right here)
In the show of life
(Find myself right here)

Find myself right here
Find myself right here
Find myself right here
Find myself right here

Find ourselves right here

In the show of life
(Find ourselves right here)
In the show of life
(Find ourselves right here)
In the show of life
(Find ourselves right here)
In the show of life
