He takes you out and he takes you back,
cos he can show you so much.
I go to bed and tomorrow again,
there's alot of work to be done.
He gives tou gold and he promise you
the whole world will be yours.
I just cant tell you i love you so
even tho my odds are low

Im not an actor im not a star,
and i dont even have my own car.
But im hoping so much you'll stay.
That you will love me anyway.

The dirty games and the nameshows,
this is the world he knows.
Watching the stars satisfies my soul
thinking of him makes me feel so cold.
The fancy cars and the restaurants,
you're just so fond of the name.
Sometimes i wonder if you are blind
can't you see hes got dirt on his mind.

Im not an actor im not a star,
and i dont even have my own car.
But im hoping so much you'll stay.
That you will love me anyway.
Anyway.

Im not an actor im not a star,
and i dont even have my own car.
But im hoping so much you'll stay.
That you will love me anyway.

Im not an actor im not a star,
and i dont even have my own car.
But im hoping so much you'll stay.
That you will love me anyway.
Anyway.

Im not an actor im not a star,

and i dont even have my own car.
But im hoping so much you'll stay.
That you will love me anyway.

Im not an actor im not a star,
and i dont even have my own car.
But im hoping so much you'll stay.
That you will love me anyway.
