Take Me to Your Heart

Hiding from the rain and snow

Trying to forget but I won't let go

Looking at a crowded street

Listening to my own heart beat

So many people all around the world

Tell me where do I find someone like you girl

[Chorus]

Take me to your heart take me to your soul

Give me your hand before I'm old

Show me what love is - haven't got a clue

Show me that wonders can be true

They say nothing lasts forever

We're only here today

Love is now or never

Bring me far away

Take me to your heart take me to your soul

Give me your hand and hold me

Show me what love is - be my guiding star

It's easy take me to your heart

Standing on a mountain high

Looking at the moon through a clear blue sky

I should go and see some friends

But they don't really comprehend

Don't need too much talking without saying anything

All I need is someone who makes me wanna sing

[Chorus]
