Without your Love

Love is in the air

I'm standing here

The place you left me

Now there is no trace

The beauty of you face

It's just a memory

Gonna thing, gonna shake, gonna brake forever

And if you do not change you mind

Gonna lie, gonna try, gonna cry on what you say

Gonna watch the bluble sky and dream away

Reff :

Even when the sun is shining

Even when the dark is hiding

Even when the world is smiling

Gonna want to do without your love

I don't want to hear what they say

I'm gonna cry my own way

I'm Know what I'm do about her

Gonna want to do without your love

Underneath the snow

Still the river flow

Heading for the sea

Underneath my skin

There's a little way

That close for you and me

Gonna thing, gonna shake, gonna brake forever

And if you do not change you mind

Gonna lie, gonna try, gonna cry on what you say

Gonna watch the bluble sky and fly away
