Baby, I've been thinking 'bout you night and day  
I can't seem to get you off my mind  
Seems to me your man ain't giving what you need  
But I got it right here, I can make you feel so right

(Chorus)

Baby, let me make you happy  
Take you ridin' in my Caddy  
If you want me, you can have me, you can even call me  
daddy  
Good loving, chocolate covered, sweeter than a motha  
motha  
Make you never want another  
Freak you underneath the covers  
I can make you happy, if you want me to  
Let me make you happy, like your man won't do

Baby, you can tell me all your fantasies  
We can do whatever's on your mind  
All I wanna do is get you close to me  
Believe me when I tell you  
That girl, you should be mine  
All mine

(Chorus)

Girl I wanna creep with you tonight  
There's so much we can do  
If you say it's alright  
I just wanna get deep into you  
Come inside of your love  
You're the one that I touch  
Told you, I can show you  
You should give me a chance  
Put yourself in my hands  
I just wanna get closer to you  
Girl please say that your body's calling me too  
I can make you happy, if you want me to  
Let me make you happy, like your man won't do

(Chorus)

Don't you wanna ride  
Don't you want, don't you wanna  
Ride in my Caddy
