She on it, even though right now I know she probably  
think I'm blowing on my exhaust pipe  
But I'm warning her, won't you keep that engine  
gunning  
Showing you, for a long ride  
I know that you's a super bad broad  
Baby hold on, get upon,  
Girl you got your boys switching up gears, picking up  
speed  
So I hope you can steer  
I'm looking for a biker chick, biker chick  
Doing all the cycle tricks,  
The way them corners, I think that I'm liking it  
Whoa, , really got my motor gone  
Now race it mama vrum, like vrum, vrum  
Biker chick, biker chick, hey, I'm looking for a biker  
chick, biker chick  
We ride it, , got my motor running  
Now race it mama vrum, like vrum, vrum

She stunting, doing things that she come with  
Don't want it see it don't try this at home  
She's , with it, , help it , while you never know  
Baby let's go, you're , with a real boss  
And once you get on, you're gonna ride it till you get on  
Girl you got your boys switching up gears, picking up  
speed  
So I hope you can steer  
I'm looking for a biker chick, biker chick  
Doing all the cycle tricks,  
The way them corners, I think that I'm liking it  
Whoa, , really got my motor gone  
Now race it mama vrum, like vrum, vrum  
Biker chick, biker chick, hey, I'm looking for a biker  
chick, biker chick  
We ride it, , got my motor running  
Now race it mama vrum, like vrum, vrum

Ride it, ride it, makes me wanna keep the v12 aside like  
it's nothing  
Ride it, ride it, Shawty slow it down I'ma get you

there ain't no need to rush it  
You got that coke bottle, got me on full throttle  
Ever since I got your love it's like I hit the lotto  
Now don't you worry about my ticket ,  
Cause we're nowhere near the end of the road

I'm looking for a biker chick, biker chick  
Doing all the cycle tricks,  
The way them corners, I think that I'm liking it  
Whoa, , really got my motor gone  
Now race it mama vrum, like vrum, vrum  
Biker chick, biker chick, hey, I'm looking for a biker  
chick, biker chick  
We ride it, , got my motor running  
Now race it mama vrum, like vrum, vrum  
Vrum, vrum, vrum, you like it, vrum, vrum, vrum,  
I'm looking for a biker chick, vrum, vrum, vrum  
Vrum, vrum, vrum, you like it, vrum, vrum, vrum.

Thanks to Andrei
