Uhuu, yeah that's what you do to me
Every time I see your face, girl!
Yeah, I'm trying to say the things
that i get you alone...
Get you to say your name,
Baby that's the style
we can take from there
even if it's the...
But now I keep it out
Can you tell me what's that about?

Chorus:

Could it be that i am so caught up in you?
I never felt this way in my life
now i know it's better when I'm walking the line
did you ...
all over me, all over my body!
Let me be the first to say i don't mind, no i don't mind!

so i know anything you wanna do, it's so you baby!
... we can leave now
do whatever you wanna do,
we can even talk about the things we
then you can ask me,
then it will be better if i show you
baby it ain't much that i wouldn't do to you

Chorus:

Could it be that i am so caught up in you?
I never felt this way in my life
now i know it's better when I'm walking the line
did you ...
all over me, all over my body!
Let me be the first to say i don't mind, no i don't mind!

..but this time i will
Use the .. but this is how i feel
touch me, I'm begging you!
my sweet style is calling you
it's OK, it's alright
I'm.. girl i want your body!

we can touch we can touch
touch me, I'm begging you!
my sweet style is calling you
it's OK, it's alright
Gotta hold your body!
Gotta hold your body!
Gotta hold your body!

Chorus:

Could it be that i am so caught up in you?
I never felt this way in my life
now i know it's better when I'm walking the line
did you ...
all over me, all over my body!
Let me be the first to say i don't mind, no i don't mind!
