Here I go, we had enough
Moving on, of the wrong, , battle in
Cause I know I can't just let you in
And take it off
Cause in the beginning
I swear we were one
Back it felt that we were born sleeping out
So maybe you're right
Or maybe I lied
I must have had too much hennessy
Or maybe too many shots of patron
, I gotta get over
I'm trying to get sober

I had too many tips swerving down
, trying to get you ,
Stay sober hard, stay sober hard
They say you never ... tell her won't stop
, was the first thing you had in your life
I'm sober hard, I'm sober hard

If you would have showed me ,
My blurry vision wouldn't last that long
, my affection to you
, cause our love wasn't true
Plus all my balance falling down, cruising my solid
ground
, I'm having too many complications
From having this habit, oh

I must have had too much hennessy
Or maybe too many shots of patron
, I gotta get over
I'm trying to get sober
I had too many tips swerving down
, trying to get you ,
Stay sober hard, stay sober hard
They say you never ... tell her won't stop
, was the first thing you had in your life
I'm sober hard, I'm sober hard
My blurry vision wouldn't last that long

I gotta get sober now
I gotta get sober now
I gotta get sober now
I gotta get sober now, oh, whoa
I gotta get sober now, oh, whoa, whoa
Gotta get sober now
I had too many tips swerving down
, trying to get you ,
Stay sober hard, stay sober hard
They say you never ... tell her won't stop
, was the first thing you had in your life
I'm sober hard, I'm sober hard
I'm sober now
Sober hard, sober now, sober now, sober now.
