I've got decisions to make, you wanna know  
If the young boy you used to know, still go it  
Yes, but I switched the flow, oh, oh

Chorus:

I'm being shot at every other week,  
Either by the haters and paparazzi,  
But they don't know  
I'm standing tall,  
I ain't gonna fall!  
Cause when the suicide doors hang me  
I get a round of applauds like I'm tipping ...  
Yeah, yeah!  
I'm standing tall, I ain't gonna fall now

Well I guess if you didn't know now  
You sure know now!  
A day in the life of this game..  
And some of you have it twisted  
You think if I ain't got it stack ... and I don't harmonize,  
Them excuse is lacking, but that was ninety five  
But some of you just get it  
And I ain't looking back, cause I swear I'm so done with  
it!  
Oh, oh, oh!

See that...  
Young niggers keep bringing me back!  
But it's ok cause I love it,  
And I wouldn't have it no other way!  
If anything in my past can have you get through the  
day  
By all means just call!

Chorus:

I'm being shot at every other week,  
Either by the haters and paparazzi,  
But they don't know  
I'm standing tall,  
I ain't gonna fall!  
Cause when the suicide doors hang me

I get a round of applauds like I'm tipping ...  
Yeah, yeah!  
I'm standing tall, I ain't gonna fall now
