I'm lookin' for a chick that wears a ring
Cause one night stands are my thing
Your marriage means nothin' to me
I'm totally into adultery

It's our secret between just you and me
That we're into committing adultery

She was feeling all alone
She called me up on the telephone
She said, Hey stud let's go out for dinner
Cause she knows I'm one hell of a sinner

It's our secret between just you and me
That we love to committ adultery
Adultery
That's the life for you and me
Adultery
That's the life for you and me

Now it's time that we hit the sack
I'm gonna pull out and come on your back
I don't want your old man knowin' I was there
So he will still chow down in your pubic hair

It's our secret between just you and me
That we love to committ adultery
Adultery, that's the life for you and me yeah
Adultery, that's the life for you and me slut

You and me naked together had fun
I hope you and your husband enjoy raisin' my son
We were drunk and feelin' fine
I just hope my son has a dick like mine

It's our secret between just you and me
That we love to committ adultery
Adultery, that's the life for you and me slut
Adultery, that's the life for you and me yeah
Adultery, that's the life for you and me
Adultery, that's the life for you and me
