Heterosexuals have the right to rock
So glam fags get off the block
Who wants to see transvestites in drag
Who look like a glam rock fag

Looking like a sissy and a bitch
Ya look like that your daddy must be rich
Make up on their face and their hair in a shag
You know that they're a disgrace and a fag

Round up all glam faggots and put em in a cage
So the hetero Mentors can rock the stage
Heterosexuals have the right to rock
Wanna see a girl with a pussy and not a cock

Heterosexuals want a rockin' chance
We don't wear dresses, we wear pants
On the stage we'll rock you all we can
We're gross and fat, but we look like a man

Listen everyone, we're gonna rock
Look like a man not a peacock
The jerks with the make up who wear the braids
Are most likely to have AIDS

Heterosexuals have the right to rock
Heterosexuals have the right to rock
Heterosexuals have the right to rock
Heterosexuals have the right to rock

Ya know that their weiner looks like a noodle
They prance all around like a french poodle
They hang around in cliques for kicks
But we all know they're chicks with dicks

They wash their hair in a washing machine
You know it's full of sperm and it ain't too clean
The fags wear earrings in their ear
You know that they're a mother fucking queer

Heterosexuals have the right to rock

Put your homo head on the chopping block
Heteros want to see rock this year
Mentors and not a queer

Heterosexuals have the right to rock
Heterosexuals have the right to rock
