Get off your back and service me or be smacked
Bend on over here, Iâ€™m putting pain on your rear
Brains in her head she lacks
So service me or be smacked
I do it with every chick
Many shits I have packed
I know Iâ€™m just a bum
Beat your ass just like a drum
Listen bitch, do as I say
Service me or be smacked
I can replace you some day
Brains in her head she obviously lacks
While Iâ€™m kickinâ€™ back drinkinâ€™ my cum
Service me or be smacked
Service me or be smacked
Kiss my feet, lick my toes
Toejam is going up your nose
Your shits I have packed
Service me or be smacked
Punchinâ€™ and kickinâ€™ your fuckinâ€™ ass
Slugginâ€™ and beltinâ€™, itâ€™s a gas
Whoppinâ€™ and poppinâ€™, drinkinâ€™ beers
kickinâ€™ and gouginâ€™, causinâ€™ tears
After Fellatio to the shed we will go
Donâ€™t cause a big divorce...
Or you wonâ€™t get intercourse
When she gets whipped she has to yell
But her shits, they can smell
Service me or be smacked...
