Hey there young sweet little girl
Iâ€™ll teach ya how to fuck
Pull down my pants over here and Iâ€™ll teach ya how to
suck

Iâ€™m a prevert in the nation
Teaching yer children all about the sex education
In the school system
Iâ€™m a mentor
Iâ€™ll make yer daughters cunt
Red and sore

Sheâ€™s just 13
With torpedo tits
Hey Dennis Ruley
Ainâ€™t that the shit

Sheâ€™s into sex education
And I am the biggest pervert teacher in the nation
Your daughter sheâ€™s mine
So fresh off the vine

Itâ€™s sex education
Iâ€™m the biggest pervert in the nation
Your daughter is learning sex education
In the high school im the most perverted in the nation

Iâ€™m the teacher in sex education
The biggest pervert in the nation
Come little girl itâ€™s time to learn
How to move your butt and make it churn
