Iâ€™m the one that can make you come
Iâ€™m the one who can make you high
Iâ€™m the one whoâ€™s a lot more fun
So run away from that guy

Iâ€™m the one who has hard meat
Leave yer man its time to cheat
Keep yer eye on the clock
When the bell rings itâ€™s time for cock

Split the square
You know where
Split the square
And Iâ€™ll meet you there

Iâ€™m the one who can make you come
A drunken bed hoppinâ€™ bum
Get you drunk on cheap wine
Then letâ€™s get naked and sixty nine

Split the square
And Iâ€™ll meet you there
Split the square
For the man with no hair

Lets get us a cheap motel
Thatâ€™s how ya fuck old El
All things that we planned
Get away from yer man

Split the square
And Iâ€™ll be there
The bald man with no hair
Split the square
