It's the time for the thrills
I got an assortment of knockout pills
Soon you'll be lyin' in my bed
I know you'll be givin' head

This is what I got for you
A ton of drugs to do
So shut up and listen to this

Now take qualludes and thorazine
Heroin and morophine
Reds dilaudid percodan valium codeine number 4
Alcohol sleep eze marijuana romilar niquil loads
Angel dust librium
Take tons of it baby
Take it all
And we'll be naked
Ballin' together

Qualludes and morophine,heroin and thorazine
Reds dilaudid percodan valium codeine number 4
Alcohol sleep eze marijuana romilar niquil loads
Angel dust

C'mon baby,do as I say
It's the only way I'll get my lay
Up the dose and we'll be naked today
Rubbin' our sex organs together

Qualludes and morophine
Heroin and thorazine
Reds dilaudid
Percodan and valium too

Now take the codeine number 4 alcohol sleep eze
Marijuana romilar niquil loads angel dust librium
Mandrax glue mda

And we'll be naked
It's the only way
When you're high on drugs

It's how I get my lay

Qualludes and morophinem,heroin and thorazine

Up the dose,up the dose,we have so much fun
Up the dose,you can have my son
