Interlude

Yo, uh, uh c'mon

Verse 1

I've been so lonely girl, I've been so sad and down
Couldn't understand why haters joked around
I wanted to be free with other creatures like me
And now I got my wish, cause I know that I'm a gay fish
(gay fish)

Chorus

(Gay fish Yo) mother fuckin' gay fish
(I'm a fish yo) goin' on a gay fish
(It's alright girl) makin' love to other gay fish

Verse 2

All those lonely nights at the grocery store
In the frozen fish aisle feelin' like a whore
Cause I wasn't being true
Even though everyone said that I had to make a switch
(Gay fish) now I know that I'm a gay fish (gay fish)

Chorus

(Gay fish Yo) mother fuckin' gay fish
(I'm a fish yo) Goin' on a gay fish
(Now I'm where I belong girl) makin' love to other gay
fish

Verse 3 Rap

I used to be scared, denying who I was
Acting straight but then going out to the gay fish clubs
Dancing with the Marlins making out with the all the
Snappers
I'd take a Salmon home and work that Coddle Fin for
hours
But now I'm out and I'm free to love what I want
Be it Yellow Fin or Bass or them trout in Vermont
I slapped that Holland ass, make that Grouper butt
shake
I'll come to your house and have an orgy in your
motherfuckin' fish tank (fish tank, fish tank)

Chorus

Mother fuckin' gay fish
(I'm a fish yo) Goin' on a gay fish
(Yeah now I'm where I belong girl) makin' love to other
gay fish

Verse 4

I really get around I'm the slut of the sea
When I say I've got crabs I mean it literally
I was eating dinner and just had to go down on that
Mackerel on the dish
Cause I'm the gayest of the gay fish (gay fish)

Chorus

Mother fuckin' gay fish
(I'm a fish yo) Goin' on a gay fish
Yeah now I'm where I belong girl

Verse 5

But I gotta settle down I can't be a whore
I ain't gonna just sleep with any fish no more
I've found me a lover, a brother who's a cross-dressing
Cod named Trish
And together we are gay fish (gay fish)

Chorus

(Gay fish yo) motherfuckin' gay fish
(I'm a fish yo) goin' on a gay fish
(Yeah, now I'm where I belong girl) makin' love to other
gay fish
(Gay fish, gay fish, gay fish, gay fish, gay fish, gay
fish...)
