Bip, bop, bip bop boom  
Well, bip bop boom, you're the fruit of my loom  
I said, bip bop boom, you're like a flower in bloom  
Bip bop boom, I thought you're gonna be doomed  
I said, bip, bop, bip bop boom

Well, bip bop bop, you know just how to rock  
I said, bip bop bop, you gave me such a shock  
Bip bop bop, I love the way you walk  
I said, bip, bop, bip bop bop

Well, bip bop boom, gotta give your daddy room  
I said bip bop boom, I'm gonna rock the room  
Bip bop boom, man I gotta zoom  
I said, bip, bop, bip bop boom

(Ah, git it!)

Well, bip bop boom, gotta give your daddy room  
I said bip bop boom, I'm gonna rock the room  
Bip bop boom, man I gotta zoom  
I said, bip, bop, bip bop boom
