I can't say anything twice
I can't do anything right
Standing in the street light
Flashing are the green lights
Slipping away
Feeling of a knife fight
Stealing of a right life
Slipping away

Take my life and drive away
You are descending up
You wanna red it up
Take my life and drive away
You are descending up
You wanna red it up

Woooooo, Wooooo
Yeah, Yeah
Yeah, Yeah

Woooooo, Wooooo
Yeah, Yeah
Yeah, Yeah

I'm getting on the right flight
Heading the daylight
Slipping away
Everything you say might
Get in the way, I sight
Slipping away

I won't stand for this
I won't stand for this

You getting me to write fight
Ending of a wrong riot
I am away

Take my life and drive away
You are descending up
You wanna red it up
Take my life and drive away

You are descending up
You wanna red it up

Woooooo, Wooooo
Yeah, Yeah
Yeah, Yeah

Standing in the street light
Flashing are the green lights
Slipping away
Feeling of a knife fight
Stealing of a right life
Slipping away

Gonna get
Gonna get
Gonna get me down
Gonna get me down

Standing in the street light
Flashing in the daylight
Slipping away

Take my life and drive away
You are descending up
You wanna red it up
Take my life and drive away
You are descending up
You wanna red it up

Woooooo, Wooooo
Yeah, Yeah
Yeah, Yeah
Woooooo, Wooooo
Yeah, Yeah
Yeah, Yeah
