Stood in a row
Still in a whirl now
Playing it on
Turn it around now

You were right
We're never gonna make it on a wage
Standing out world up
All on our own
You are on
And everytime a show gets underway
I stamped you know off my ride
Off my show

Shot! Should of, should of

Can't stand here, can't stand around
Can't stand here, can't stand round
Where's my home? where's my ground?
I can't stand here, can't stand around
Where's my home? down underground?

Suddenly wrong, you gonna get a run-in on the way
Stay to run out the one on your loan
Laughing to rome
Starting at the wait away from home
We stand around, were getting out, were married up!
Shot! Should of, looking for love

Can't stand here, can't stand around
Can't stand here, can't stand round
Where's my home? where's my ground?
I can't stand here, can't stand around
Where's my home? down underground?

Standing out, standing on the outskirts
Standing out, standing on the outskirts
Standing out, standing on the outskirts
Standing out

Standing out, standing on the outskirts
Standing out, standing on the outskirts

Standing out, standing on the outskirts
Standing out, standing on the

Can't stand here, can't stand around
Where's my home? down underground?
Can't stand here, can't stand around
Where's my home? down underground?
