Sunday warning, Hey! Hey! Hey!  
Well there's a one day warning, Hey! Hey!

We'll practice everything you say

Steer away, steer away,  
Practicing everything you say  
Turn it back, turn it back  
Now count on working hard,  
To get underpaid  
Steal it back, chain it up, get original  
Stand and wait, stand the weight  
I'm coming back to set it alphabetical  
Man the plane, land the plane  
Now every Sunday I can say is so predictable  
Sound delayed, found the slave

Sunday warning, Hey! Hey! Hey!  
Well there's a one day warning, Hey! Hey!

We'll practice everything you say  
Hey, hey, hey

Still awake, still awake  
Practicing all the things you say  
I counteract from the act I started  
Working hard to get on the plane  
You stole it back, locked it up, your original  
Sound delay, sound delay  
Now every Sunday I can say is not predictable  
Found the way, celebrate.

Sunday warning, Hey! Hey! Hey!  
Well there's a one day warning, Hey! Hey! Hey!  
Well there's a Sunday, Sunday warning  
Well there's a one day warning, warning

Counting everyday it's underway x 4

Practice everything you say  
Hey, hey, hey

Practice everything you say  
Hey, hey, hey

Sunday warning, Hey! Hey! Hey!  
Well there's a one day warning, Hey! Hey!

Well there's a Sunday, Sunday warning

Da dada da da
