I'm sitting alone I'll get my break in time
I'm leaving alone tonight, I'm bringing her home in
mind
I'm finding out I break instead of laugh
I'm willing to laugh this time
From bringing her hope in mind
I'm trying hard to shake it off
From leaving alone this time
From leaving alone this time

Break us, now I can not be sober
For luck and I feel so far
You're my Cinderella sunlight
My Cinderella sun

Brave or not, I'm owning up
Our love is an iron
Rest my eyes, my eyelids fall
I yearn as life will shine
And we will stay and figure it out
Bringing you home this time
Bringing you on my side
We can Shea
Bringing it off the wall
I'm leaving it all this time
I'm bringing you home

Break off, now I cannot be sober
For luck and I feel so far
You're my Cinderella sunlight
My Cinderella sun
You're my Cinderella sunlight
My Cinderella sun

Break off, now I cannot be sober
Try and doubt me lover
The fire's in my gun
Well I will glow, like you know
My open door
Your waiting arms
