He's got your number now.  
He knows just what you've done.  
You've got no place to hide.  
You've got nowhere to run.  
He knows your life of crime.  
I think it's supertime!

Come on, Come on  
Think about all those offers!  
Come on, Come on  
Your future with Audrey!  
Come on, Come on  
Ain't no time to turn squeemish!  
C-C-C-Come on!  
I swear on all my spores  
When he's gone the world will be yours.

Come on, Come on...  
Come on, Come on...  
Come on, Come on...  
It's supertime...  
It's supertime...

Come on, Come on...  
Come on, Come on...  
Come on, Come on...  
It's supertime...  
Ah, supertime...

Supertime!
