I got a feeling that i can't explain
I gotta meet the guy who does this alone
I want to feel those things i left un-obtained
I wanna peel away the fringe from the fold
I don't need a thing to help me get through
Dont' really need an A&R dude to call
I'm all bits and pieces
Sinner and saint
I wanna peel away the fringe from the fold
Spotlights turning away
Cause it only takes a second to fall
I wanna feel those things i left un-obtained
I wanna peel away the fringe from the fold
Spotlights turning away
Cause it only takes a second to fall
Spotlights turning away
Cause it only takes a second to fall
There's no more mistakes
Left for me to make
I got a feeling
I can't seem to shake

I wanna peel away the fringe from the fold

Spotlights turning away

Cause it only takes a second to fall

Spotlights turning away

Cause it only takes a second to fall

There's no more mistakes

Left for me to make
