Well if you...
Listen to the people
And what they have to say
Believe me my friend
They will pin you away...
Because they try to tell us We're too younggg
Too young to really be in loveee
They say that love are words
(Hook)
Or words we only heard
But can't begin to know the meaning of
And yes were not too young to know
This love will last for its may gold
And then someday that maybe ohhh

We will not too young at all
At times you tell us were too young woah Ohh
Too young to really be in love woah Ohh
Too young too young too young woah Ohh
(instrumental part)
At times you tell us were too young woah Ohh
Too young to really be in love woah Ohh
They say that love are words
Or words we only heard
But can't begin to know the meaning of
And yes we're not too young to know
This love will last for its may gold
And then someday that maybe Ohh
We will not too young at all (x3)
