You got me going
You got me shaking
You got me living like a man that dont know what hes
doin'
The way you tease
The way you squeeze me
Baby you've touched me like no-one has ever done it
before

I dont mind if the way that you're thinkin'
Is contrary to the way that im feeling
I dont mind but then ive been here before
And i dont mind waiting again
No i dont mind waiting again
I dont mind...

Oh well
You're so unkind girl
Confuse my mind well
You got me thinking that no-one will ever take your
place
You look so shy and i know why
You keep your distance but you keep me dancing on
my toes

I dont mind that you're thinkin'
Is contrary to the way that im feeling
I dont mind but then ive been here before
And i dont mind waiting again
No i dont mind waiting again
I dont mind...

'Cos you got a hold on me, cant you see
Its the way i wanna be
Oh dont you know that love comes in many ways, cant
you see
Its the way i wanna be

Its the way i wanna be
Its the way i wanna be
Its the way i wanna be

I dont mind if the way that you're thinkin'
Is contrary to the way that im feeling
I dont mind but then ive been here before
And i dont mind waiting again
No i dont mind waiting again
I dont mind...
