Bette: Everybody wants to find a love,
somebody, somebody who will always care.
But we get locked up in our own worlds,
with feelings and secrets we're afraid to share.
David: But all I have to do is see you smile,
or maybe, just maybe if I brush your hand;
something happens I cannot explain,
and somehow, oh somehow I can understand.
David: I, I think you're gonna find . . .
Bette: I'm gonna find you.
I'm gonna find you . . .
Bette&David;: I know you by heart.
You're so much a part of me.
I know you by heart.
David: Can't you see?
Bette&David;: It's no wonder I can love you
the way that I do.
I can finish any sentence you start.
Woah, I know you, I know you by heart.
David: I know every time you wanna call,
I pick up the phone before it can ring.

Bette: And when you need some lovin', I'll be there
beside you, anticipating everything.

David: Oh, it's like I always said . . .

Bette: You're the one I want.

And all I want is you.

David: I'm inside your head.

Bette&David;: I know you by heart.

David: You're so much a part of me.

B&D: I know you by heart.

Bette: Can't you see?

Bette&David;: It's no wonder I can love you
the way that I do.

I can finish any sentence you start.

Hey, woah, I know you by heart.

David: I know you by heart.

Bette&David;: So much a part of me.

It's no wonder I love you

the way that I do.

I can finish any sentence you start.

I know you, I know you by heart.

I know you by heart.

So much a part of me.

I know you by heart.

So much a part of me.

I know you by heart.

So much a part of me.

I know you by heart.

Yeah, I know you by heart.

You're so much a part of me.

So much a part of me.

I know you by heart.

You're so much a part of me
