hey - dickface - hey - ooh
hey - dickface - hey
this goes out to all my whores
this one goes out to my whores
because the seed grows
fucking with my style... fucking with my flow
hey - dickface - hey - ooh
hey - dickface - hey - ooh
(all of the best came here??)
gettin' down tonight
this one goes out to my whores
because the seed grows
fucking with my style... fucking with my flow
this goes out to all my whores
this one goes out to my whores
because the seed grows
fucking with my style... fucking with my flow
because the seed grows
fucking with my style... fucking with my... flow
fucking with my flow...
