yo - i be that golden i
you watch me burning deep inside of you
i be that golden i
now i rock steady but it don't mean nothing cause
i ain't shit - yo and that's ok cause
I wrote the note so you can watch me hang myself - say
i be the cock in a jungle coming for you baby
i be the cock in a jungle burning
i'd meet a good girl but i'd make a terrible boy
i'd meet a good boy but i'd make a terrible girl
i'd meet a good boy - good girl - terrible girl
terrible girl - terrible girl
i be that golden i
and now me burning deep inside of you
i be that golden i
and now i rock steady cause i don't know nothing but
i ain't shit - yo and that's ok cause
I wrote the note so you can watch me hang myself - say
