So... Do you think that
You'd be better by yourself?
Do you think that
There's some world out there
Who'd let you go be someone else?
There's a lot that
I might say to you

Cause I'd like to know
Was I out of my head
When I moved in here?
Was I out of my mind?
What an idea...

So... Should we draw a line
In chalk across the floor
I know you don't
Want to talk to me, but
there's no where
Else I can go
What a careless thing
For us to do

Cause I'd like to know
Was I out of my head
When I moved in here?
Was I out of my mind?
What an idea...

I think ahead
So I should have known
Or maybe I'm scared
Of living alone
I need my space
But I need you more
Now we'll never be
Like we were before

There's no need
For telling me
About the beatings

Of your restless heart
(Well it's a shame.)
We are beating endlessly
To an inevitable
And bitter stop.
(Well it's a shame.)
Well its a shame but
It's a simple fact
That I'm living here
With you, boy.
Well its a shame but
It's a simple fact
That I'm living here
Ahhhhhhh...

Cause I'd like to know
Was I out of my head
When I moved in here?
Was I out of my mind?
What an idea...

I think ahead
So I should have known
Or maybe I'm scared
Of living alone
I need my space
But I need you more
Now we'll never be
Like we were before

Cause I'd like to know
