Stop and think about what you're doing
If you've got the time to spare
Jet set, guest list, red carpet, baby
Are you going anywhere? (I've been alone)
I'm waiting up all night and
There's so much to tell you (I've been alone)
you put your hand on mine
Your heart's with someone else (Then we get it on)

Gotta know, is there something to tell me?
There's a difference in your heartbeat
All I know is it's driving me crazy
There's a difference in your heartbeat, baby
Baby

Now I can't keep up with you, darling
'Cause you're living way too fast
I don't make a whole lot of money
So I gotta make it last (Well I've been alone)
I'm waiting up all night
While you go out late dancing (I've been alone)
You sparkle in the lights and
His approving glances, oh yeah

Gotta know, is there something to tell me?
There's a difference in your heartbeat. (Gotta know)
All I know is it's driving me crazy
There's a difference in your heartbeat, baby
There's a difference in your heartbeat, baby

How I love it, when we do it
You hold on like there's
No one else but me
But there's a difference
The way your heart beats
You close your eyes
Baby, who are you trying to see?

Gotta know, is there something to tell me?
There's a difference in your heartbeat (Gotta know)
All I know is it's driving me crazy

There's a difference in your heartbeat, baby
There's a difference in your heartbeat, baby
