(Intro)

Yea

My own worst enemy

I'm my own worst enemy

Feels like I'm my own worst enemy

(Verse)

See I do what I got man, 'cause I smoke weed I'mma
shoot, I'm a sharp man

Yea, so I steam 'cause I got a plan

It ain't all what it seems in this promise land

See, I'm tryna be a better man

But I'm fuckin up just tryna make you better man

See it's hard 'cause I am a dad

So I rap, you don't know, you don't understand

I'm tryna think for the future

But the now got me fuck, feelin useless

But I'm proud that I fucked with this music

It's all for the love and I'm stuck to the movement

I'm getting too old for this new shit

I got a fam and I don't wanna lose em

All that I am is a man tryna do this

I'm tryna teach when I'm really the student

(Hook)

I ain't got no cash 'cause I'm over drawn

Feels like I'm my own worst enemy

I should've paid the rent but I bought the draw

Feels like I'm my own worst enemy

I should be on tour but I'm stuck indoors

Feels like I'm my own worst enemy

I say that I'm a man but I'm immature

Feels like I'm my own worst enemy

(Verse)

Somehow I'm still tryna find the energy

This is it, should I quit? Should I let it be?

Billa spliff, I'll admit that I am a fiend

'Cause when in this, very hard to read anything

But in my element I'm heavy like a elephant

On the road doing shows, never settling

On the phone, to the kids when I'm missin em
I said to her but you know I ain't listening
I do give a shit, I know I hold back
I took a chance, broke your heart like a dumb pratt
You say I'm calm but I'mma start tryna fix that
And I'm a soldier to storm like a big man
I'mma face facts, I know I fucked up
I know I can't stop your pain just with one hug
I know it won't be the same but I showed up
And put the pen to the page and I own that

(Hook)

I ain't got no cash 'cause I'm over drawn
Feels like I'm my own worst enemy
I should've paid the rent but I bought the draw
Feels like I'm my own worst enemy
I should be on tour but I'm stuck indoors
Feels like I'm my own worst enemy
I say that I'm a man but I'm immature
Feels like I'm my own worst enemy

(Verse)

I guess my life is more than I bargained for
But I'm stressed from the bills which I can't ignore
I'm a waste, I escape so I bought a drawer
Every day mine is back to the golden board
I'm ashamed of the fact that I am the cause
Of what they'll kak, I'll attract when I do preform
And perhaps it's the fact that I'm getting bored
From all the raps which I spat, which I did before

(Hook)

I ain't got no cash 'cause I'm over drawn
Feels like I'm my own worst enemy
I should've paid the rent but I bought the draw
Feels like I'm my own worst enemy
I should be on tour but I'm stuck indoors
Feels like I'm my own worst enemy
I say that I'm a man but I'm immature
Feels like I'm my own worst enemy

(Interlude)

Sorry man, it's my fault
Feels like I'm my own worst enemy
I'm to blame, can't blame no one or myself
Feels like I'm my own worst enemy
Feels like I'm my own worst enemy
But at least I can do that
Not lie anymore
Feels like I'm my own worst enemy

(Outro)
Sorry
To everyone
First of all, most sorry to myself
