Beep beep!  
Beep beep!  
Ah...beep beep!  
Beep beep!  
Ah...beep beep!  
Beep beep!  
Ah...beep beep!  
Spread it all out  
Apread it all out  
Give it all the time that you think you need  
You and I know  
You and I know  
You got to live your life do what you believe  
Right from the start  
Right from your heart  
Listen to the rhythm of the funky beat  
Let it all go  
Let it all go  
Feel it in your head running to your feet  
We'll all be living it up (living it up)  
Let's party (party)  
Giving it up  
Tribe Stylee  
We'll all be living it up (living it up)  
Let's party (party)  
Ready to burst  
It's the 21st century show  
Beep beep!  
If you wanna know how  
I'll show you right now  
Love is all about sharing what you've got  
If you wanna hang out  
You gotta get down  
Keep moving to the groove don't ever stop  
I want you to be  
My fantasy  
There's one for every boy one for every girl  
High Energy  
Setting me free  
It's up to us to build a brand new world  
We'll all be living it up (living it up)  
Let's party (party)

Giving it up  
Tribe Stylee  
We'll all be living it up (living it up)  
Let's party (party)  
Ready to burst  
It's the 21st century show  
We'll all be living it up (living it up)  
Let's party (party)  
Giving it up  
Tribe Stylee  
We'll all be living it up (living it up)  
Slipping and sliding  
Jumping and jiving  
Let it all go  
Beep beep!  
Beep beep!  
Ah...beep beep!  
Moving on up, party!  
Beep beep! x3  
Moving on up, party!  
We'll all be living it up
