(Greg/Eric)

Come on in now get warm  
Don't bring yourself to harm  
You know the light is always on  
You could be home now between  
Sheets that you know are clean  
You know the light is always on  
Be of good cheer now somehow  
You can forget for now  
You know your glass is always full  
Down here at the home  
Cooking/Eating  
Now you've jumped in a whim  
It's time you learned to swim  
You know it's time you had a try  
In a bad film you careen  
Driven from scene to scene  
You know the camera always rolls  
Please don't complain it's plain  
You have yourself to blame  
You knew this would be suicide  
Could it be so, oh no  
Back in your bungalow  
You know the light is always on  
Down here at the home  
Washing/Drying  
Dusting/Mopping  
Pruning/Weeding your yard
