spent life looking for the answers,
to questions that we're never asking,
this is the twentieth-second chance, I'd give in

spent life looking for the answers
to questions that we're never asking
(this is the twentieth second chance, I'd give in)
the twentieth-second chance
my life spending all my time
contemplating truths and lies
we need to never find out what I'm missing

tomorrow feels so far away
I can't remember yesterday
why can't you expect from me

I know nothing can last forever
I cant leave, I cant leave
so you know (so you know)
it's now or never
I cant leave, I cant leave

this could be the last goodbye
is this the end we thought we'd never see

tomorrow feels so far away
I can't remember yesterday
why can't you expect from me

I know nothing can last forever
I can't leave, i can't leave
so you know (so you know)
it's now or never
I can't leave, I can't leave

I know nothing can last forever
I can't leave, I can't leave
so you know (so you know)
it's now or never
I can't leave, I can't leave
