I like my fun every bit as much as anyone  
But I want a love that's real somehow you know  
How to get inside this heart of gold  
Real smooth and real slow

I should turn and leave but  
You feel so good to me mercy me

What's a good old girl supposed to do  
With a boy like you  
(Bad, bad boy like you)  
There's no limit to the trouble I can get into  
With a boy like you  
(Bad, bad boy like you)  
Oh a boy like you

My neck, your lips  
You're startin' fires with your fingertips  
I can't resist givin' in completely  
I can't stop lovin' you lovin' me

What's a good old girl supposed to do  
With a boy like you  
(Bad, bad boy like you)  
There's no limit to the trouble I can get into  
With a boy like you  
(Bad, bad boy like you)

Makin' love so sweetly, you feel so good to me  
Mercy me, mercy me, mercy me

What's a good old girl supposed to do  
With a boy like you  
(Bad, bad boy like you)  
There's no limit to the trouble I can get into  
With a boy like you  
(Bad, bad boy like you)

What's a good old girl supposed to do  
With a boy like you  
(Bad, bad boy like you)  
There's no limit to the trouble I can get into

With a boy like you  
(Bad, bad boy like you)  
Boy like you, yeah

(Bad, bad boy like you)  
(Bad, bad boy like you)  
(Bad, bad boy like you)  
(Bad, bad boy like you)
