I woke up this mornin'
With a feelin' that was gone for quite some time
Your long gone face has been replaced
With better thoughts now runnin' through my mind

Oh, when you left you cut my heart in half
Just took some time but now
I'm makin' my way back

I feel more like me
And I've let go of your memory
Now the hands of time have been so kind
And finally set me free
I feel more like me

There was a time when I was strong
Wild and free and runnin' with the wind
But now the chains are finally gone
And I know I'll be that way again, yeah

You took my soul and tore it clean in two
But ever since I saw that open door
And walked right through

I feel more like me
I've let go of your memory
Well, the hands of time have been so kind
And finally set me free
I feel more like me, oh yeah

Well, the hands of time have been so kind
And finally set me free
I feel more like me

I compromised and justified
No matter what the cost
Inch by inch became a mile till I just got lost
But there's no more cryin', I'm flyin'

Today's a brand new day
Just look at me go now
I'm on a roll now

And I think it's safe to say that

I feel more like me

And I've let go of your memory

Well, the hands of time have been so kind

And finally set me free

I feel more like, yes, I feel more like

I feel more like me
