When I fall, I fall hard  
Sends shivers through my body  
And I lay down my guard  
I'm pure devotion and sweet emotion  
I feel it all when I fall

When I make love, well, I love strong  
I let go of everything  
'Til everything I have is gone  
It's endless passion, it's everlasting  
I feel it all when I fall

If you don't feel the way I feel  
An' we can still be friends  
But after all that I've been through  
I can't go down that road again

'Cause when I hurt, well, it runs deep  
And it's more than just a broken heart  
Or tears down my cheek  
I feel like dying, my soul is crying  
I feel it all when I fall

When I fall  
Well, I'm pure devotion and sweet emotion  
I feel it all  
(I can feel it all)  
Baby, it's your call when I fall
