under these stars  
are hearts so bright in this world so dark  
don't lift this curse  
you've cast upon me, no  
not this time

goodbye my summer  
goodbye my love  
goodbye (goodbye)

i waited ten months for these beautiful two  
sixty days of summer silence with you  
i waited ten months for these beautiful two  
i waited  
for you

for you to come  
and rescue me  
you made these promises  
that you said you'd keep, this won't end  
you said  
this can't end (this can't end)

goodbye my summer  
goodbye my love  
goodbye (goodbye)

i waited ten months for these beautiful two  
sixty days of summer silence with you  
i waited ten months for these beautiful two  
i waited  
for you

periods  
become question marks, worthwhile statements  
become  
worthless remarks, empty parks  
empty streets  
its the place  
where we'd meet  
but instead now i say

goodbye  
goodbye  
goodbye

i waited ten months for these beautiful two (goodbye)  
sixty days of summer silence with you (goodbye)  
i waited ten months for these beautiful two (goodbye)  
i waited (goodbye to you)  
for you (goodbye)
