All American
Evil game of extortion

A sick old man and who would guess
He was once S.S.

A deadly fascination
Of a madman's solution

Six million dead
Poison tales pollute his head

Tell me a story
Will ya? Will ya?
A real good story
I won't leave til ya
Spill your guts, old man
Leave out any secrets, hiding in the...

Any skeletons, and all your other sins
Any skeletons, in the closet

Any skeletons
Any misfortunes
Any skeletons, hiding in the closet!

Any skeletons
Any skeletons in the closet!

It's insanity
Puppet master, boy or Nazi

Apt pupil, he hears the screams
Nightmare turns into wet dreams

Hatred lives, boiling inside,
Dealing death it's bumicide

In too deep,
Their secret stands but it won't keep

Tell me a story

Will ya? Will ya?
A real good story
I won't leave til ya
Spill your guts, old man
Leave out any secrets,
Hiding in the...

Any skeletons, and all your other sins
Any skeletons, in the closet

Any skeletons
Any misfortunes
Any skeletons, hiding in the closet!

Any skeletons
Any skeletons in the closet!

LEAD BREAK
FUN PICKIN' PART

The truth comes out
Conspiracy there is no doubt

His life is ruined, but no not yet
He's still got one card in the deck

A loaded gun, a happy smile,
He'll scope the freeway for awhile

King of the world, four hundred rounds,
It took five hours to bring him down

Tell me a story
Will ya? Will ya?
A real good story
I won't leave til ya
Spill your guts old man
Leave out any secrets,
Hiding in the...

Any skeletons, and all your other sins
Any skeletons, in the closet

Any skeletons
Any misfortunes
Any skeletons, hiding in the closet!

Any skeletons
Any skeletons... yow, yow, yow!

Look out!

Any skeletons... yow, yow, yow!
