It's just too damn easy
To die in this life
Who's making the decisions?
Tell me, who's got the right?

Woah, my grief turns to anger
Woah, it's time to say good bye
It's a horror memories
Nothing's harder

I know that there's no answer
I mean what'd I expect
So many unanswered questions
I can't believe, I can't accept

Woah, my anger turns to hatred
Woah, it's time to say good bye
It's a horror memories
Nothing's harder

Woah, the horror of it all
The horror of it all
I'm gonna break
The horror of it all
Tell me why

You're not supposed to question
But why's there so much pain
When someone's taken from you
What can you do or say?

Woah, my hatred turns to violence
Woah, it's time to say good bye
It's a horror memories
Nothing's harder

Woah, the horror of it all
The horror of it all
I'm gonna break
The horror of it all
Tell me why

The horror of it all
The horror of it all
The horror of it all
The horror of it all

Say good bye, it's such a horror
My memories there's nothing harder
Anger and hatred fill the page
So smash the walls, it's time to rage

The horror of it all
The horror of it all

Anger and hatred fill the page
So smash the walls, it's time to rage
