Know your place in life is where you want to be
Don't let them tell you that you owe it all to me
Keep on looking forward, no use in looking 'round
Hold your head above the crowd and they won't bring
you down

Anthem of the heart and anthem of the mind
A funeral dirge for eyes gone blind
We marvel after those who sought
The wonders in the world, wonders in the world
Wonders in the world they wrought

Live for yourself
There's no one else more worth living for
Begging hands and bleeding hearts
Will only cry out for more

Anthem of the heart and anthem of the mind
A funeral dirge for eyes gone blind
We marvel after those who sought
The wonders in the world, wonders in the world
Wonders in the world they wrought

Well, I know they've always told you
Selfishness was wrong
Yet it was for me, not you
I came to write this song

Anthem of the heart and anthem of the mind
A funeral dirge for eyes gone blind
We marvel after those who sought
The wonders in the world, wonders in the world
Wonders in the world they wrought, wrought, wrought
