Trapped up inside here, like lions in a cage
I've been a mark of injustice bound by these chains
I can't find a reason, I'm on my own
My destiny waits for a sign from me I'm leaving alone

Yeah sometimes
Oh no no

Oh I'm out on my way now
It's been so many years
The chase is my lifeblood
I have no more fears

Fire, burns in my veins
Anger, shows on my face
Hatred, it poisons my soul
Look out, I'm about to explode

Evil ones try to destroy us
We're armed and prepared for attack
We'll take on the world with rebellion
We're dangerous down to the last

Armed and dangerous, oh
Armed and dangerous

Am I evil? Or am I insane?
The lion inside of me, is no longer tame
Blade in my left, a gun in my right
To beat you within, an inch of your life

Evil ones try to destroy us
We're armed and prepared for attack
We'll take on the world with rebellion
We're dangerous down to the last

Armed and dangerous, oh
Armed and dangerous

Armed and dangerous
Oh, armed and dangerous
So armed and dangerous

Oh, armed and dangerous

Fire, burns in my veins
Anger, shows on my face
Hatred, it poisons my soul
Look out, I'm about to explode

Evil ones try to destroy us
We're armed and prepared for attack
We'll take on the world with rebellion
We're dangerous down to the last, oh

Armed and dangerous
Oh, armed and dangerous
Oh, armed and dangerous
Oh, armed and dangerous
